

Requesting New Box Labels

New boxes need to be labelled before we can collect them. You will be issued with sheets of pre-printed labels, which are to be affixed to the side of the box in the lower right corner as shown below:

When you are nearing the end of your supply, you can request more labels via our website.

Firstly, open a Web Browser on you PC such as Google Chrome, Firefox or Microsoft Internet Explorer.

Enter the following URL :

<http://www.cambridge-storage.co.uk>

The following website should appear:

At the top right of the screen, click on the [Box Request](#) button.

You will be taken to the Box Request page:

Click on the [Label Request](#) button. You will firstly be asked to provide a password:

This form is password protected.

Please enter your password.

Submit

Your password is: **morelabels**

Click on the Submit button and you will then be presented with the 'Label Request' form, which you will need to complete:
